PURPOSE OF THIS GUIDE

The Avon Lake City Schools Design and Brand Guide offers ALCS employees guidelines for advertisements, pamphlets, written documents, course descriptions, catalogs and more. Its goal is to let the District speak with one voice, thereby strengthening the ALCS brand. It also aims to avoid common mistakes that may dilute the effectiveness of any ALCS communication - digital or print. It is important that ALCS publications communicate information clearly, concisely and intelligently.

These guidelines describe the visual and verbal elements that represent Avon Lake City Schools identity. This includes our name, logo and other elements such as color, type and graphics.

Sending a consistent and controlled message of who we are is essential to presenting a strong, unified image of our district.

These guidelines reflect Avon Lake City Schools' commitment to quality, consistency and style.

The Avon Lake City School District brand, including the logo, name, colors and identifying elements, are valuable district assets.

Each of us is responsible for protecting the district's interests by preventing unauthorized or incorrect use of the Avon Lake City Schools name and marks.

All individuals, schools, school affiliated organizations, non-affiliated organizations, and vendors are asked to follow the guidelines for the district and each school. We have provided examples of the most common logo formats and color codes to ensure consistent use of the brand. If you need a logo in a different format or want to alter a logo, please email the Superintendent's Office. Permission must be granted for any logo to be altered from its original design.

The District's logos are registered trademarks owned by the District. Any commercial or third-party use of these registered trademarks must receive prior written approval from the Superintendent's Office. Any approved uses may require the use of the appropriate "Trademark Notice". For any of the logos or brand elements that are not registered, the appropriate Trademark Notice is the "™" symbol. For any of the logos or brand elements that are registered, the appropriate Trademark Notice will be letter "R" enclosed in a circle, thus ®.
